### ***Analysis by the Legislative Reference Bureau***

Under current law, certain highway routes and bridges have been designated and marked to memorialize, commemorate, or recognize certain individuals, groups, or events. This bill directs the Department of Transportation to designate and, upon receipt of sufficient contributions from interested parties, mark the entire route of USH 63 as the “Gaylord Nelson Highway” in recognition and appreciation of Gaylord Nelson, who served with distinction as both the governor and a U.S. senator and whose legacy includes numerous environmental achievements, including the founding of Earth Day, the creation of the Knowles–Nelson Stewardship Program, and the preservation of the Apostle Islands in Lake Superior. No state funds, other than from contributions from interested parties, may be used for the erection or maintenance of any markers on USH 63 to identify the highway as the “Gaylord Nelson Highway.”

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

# SENATE BILL 284

(2) Upon receipt of sufficient contributions from interested parties, including any county, city, village, or town, to cover the costs of erecting and maintaining markers along the route specified in sub.
